**PUBLIC COMMENTS**

There were numerous citizens in attendance to speak for and against the recommendation from the Economic Development Corporation to fund up to \$750,000 for the proposed Recreation Center. There were twenty-two individuals who addressed the Council. After much discussion, Mayor Hass selected Brian Walton, Rusty Hancock, Sherri Haschke, and Tim Yee to a committee to discuss this matter and decide whether or not to put it back on the agenda.

The next agenda item was to discuss the proposed Sub-Division of a 32.728 acre tract of land off of Spirit Trail. James Stroud, City Manager, brought the Councilmembers up-to-date on this proposed project. This is City owned property that could be used to build affordable housing. Clinton Hale made a motion to table this item. Tim Yee seconded the motion and the same carried unanimously. Mayor Hass suggested the Councilmembers take a map of this property home and study it before it is voted on.

City Manager Stroud gave a brief explanation of the Airport Rehabilitation Grant. After discussion, Rusty Hancock made a motion to approve **Resolution 2020-07**, requesting financial assistance from TxDOT for improvements at the Dalhart Municipal Airport and directing the City Manager to execute, on behalf of the City, all contracts and agreements. Brian Walton seconded the motion and the same carried unanimously.

Stroud reported that the first movie night in the park was a success. This took place at the Rita Blanca Lake area and plans are to continue this as long as people are interested.
